DECENTRALIZATION AND BIODIVERSITY CONSERVATION

Edited by

Ernst Lutz

Julian Caldecott

Contents

Foreword *ix*

Acknowledgments *xi*

Contributors *xii*

1 Introduction 1

Ernst Lutz and Julian Caldecott

Ten Country Studies and Analysis 1

Failed Past Attempts to Conserve Biodiversity 1

Decentralization as a Process 2

The Contrast of Centralization and Decentralization 2

References 3

2 Colombia 7

Eduardo Uribe

The Colombian National Park System 7

Rural Development Activities 10

Resolving Conflict between Development and Conservation 11

Summary and Conclusions 12

Case Studies in Colombia 13

Notes 15

References 16

3 Costa Rica 19

Julian Caldecott and Annie Lovejoy

Strategic Planning 20

The Conservation Area System 21

The National Biodiversity Institute 22

Conclusions 23

Case Studies in Costa Rica 24
