Global Biodiversity Outlook 2

Table of Contents

Foreword	iv
Acknowledgements	vi
Executive Summary.....	1
Introduction	9
Chapter 1 The Essential Role of Biodiversity	13
Chapter 2 The 2010 Biodiversity Target: Establishing Current Trends	21
FOCAL AREA: Reducing the rate of loss of the components of biodiversity, including (i) biomes, habitats and ecosystems; (ii) species and populations; and (iii) genetic diversity.....	23
FOCAL AREA: Maintaining ecosystem integrity, and the provision of goods and services provided by biodiversity in ecosystems, in support of human well-being	29
FOCAL AREA: Addressing the major threats to biodiversity, including those arising from invasive alien species, climate change, pollution, and habitat change.....	33
FOCAL AREA: Promoting sustainable use of biodiversity	36
FOCAL AREA: Protecting traditional knowledge, innovations and practices	38
FOCAL AREA: Ensuring the fair and equitable sharing of benefits arising out of the use of genetic resources.....	39
FOCAL AREA: Mobilizing financial and technical resources, especially for developing countries, in particular, least developed countries and small island developing states among them, and countries with economies in transition, for implementing the Convention and the Strategic Plan.	40
Suitability of the indicators for assessing progress towards the 2010 target	40
Chapter 3 Implementing the Convention on Biological Diversity	45
3.1: The Convention's Toolkit: The Ecosystem Approach, programmes of work and guidelines for action	46
3.2: Achieving the Goals of the Strategic Plan: Progress to Date	49
Chapter 4 Prospects and Challenges for Achieving the 2010 Biodiversity Target	57
4.1: Prospects for achieving the goals and targets of the Convention's framework for assessing progress towards the 2010 target.....	59
4.2: Addressing the drivers of biodiversity loss in the Convention's programmes of work .	62
4.3: Mainstreaming biodiversity into economic sectors and development planning	63
Conclusions Actions to Achieve the 2010 Biodiversity Target	73
List of Boxes, Tables and Figures	78
Endnotes	80
