Acronyms and abbreviations	X
Introduction	2
PART I. Euro-Asian Trade Routes and Freight Flows	8
I.1. Economics and trade in the Euro-Asian Transport Links region	8
I.1.1. General Overview	8
I.1.2. East Asia	11
I.1.3. South-Eastern Europe	12
I.1.4. Commonwealth of Independent States	14
I.1.5. Conclusions	16
I.2. Euro-Asian trade flows and inland transport	17
I.2.1. Main commodity groups	17
I.2.2. Main trade partners	22
I.3. Euro-Asian transport flows.	32
I.3.1. Overview.	32
I.3.2. Liner shipping	33
I.3.3. Railway transport	38
I.3.4. Road transport.	78
I.3.5. Air transport	81
I.3.6. Seaports and hinterland connections on EATL corridors	87
I.3.7. Infrastructure of Euro-Asian Transport Links railway routes.	90
I.3.8. Infrastructure of Euro-Asian Transport Link roads	95
I.3.9. Air transport infrastructure and logistics	99
I.3.10. Logistic centres and dry ports in Euro-Asian Transport Links	100
I.3.11. Conclusions	101
I.4. Duration and Costs of modes of transport between Europe and Asia on selected Euro-Asian routes.	103
PART II. Projects and Studies in the Euro-Asian Transport Links Region	120
II.1. Overview	120
II.1.1. The United Nations Economic Commission for Europe	120
II.1.2. United Nations Economic and Social Commission for Asia and the Pacific	122
II.1.3. United Nations Office of the High Representative for the Least Developed Countries, Landlocked Developing Countries and the Small Island Developing States	123

II.1.4.	United Nations Conference on Trade and Development	124
II.1.5.	Special Programme for the Economies of Central Asia	124
II.1.6.	European Union	125
II.1.7.	EurAsian Economic Union.	126
II.1.8.	Silk Road Economic Belt.	127
II.1.9.	Organization for Security and Co-operation in Europe	128
II.1.10.	Organisation for Co-operation between Railways	129
II.1.11.	Organization of the Black Sea Economic Cooperation	131
II.1.12.	Trans-Caspian International Transport Initiative	132
II.1.13.	Economic Cooperation Organization.	133
II.1.14.	Organization for Democracy and Economic Development	134
II.1.15.	World Bank.	134
II.1.16.	Central Asia Regional Economic Cooperation	135
II.1.17.	Islamic Development Bank	137
II.1.18.	European Bank for Reconstruction and Development.	138
II.1.19.	International Road Transport Union	138
II.1.20.	International Union of Railways.	139
II.1.21.	Coordinating Council on Trans-Siberian Transportation.	140
II.1.22.	Global Partnership for Sustainable Transport	140
II.2.	Joint projects of international organizations	141
II.3.	Most important national programmes and projects	143
PART III.	Main Obstacles Hampering Euro-Asian Transport Link Development.	158
III.1.	General overview.	158
III.2.	Border crossings on Euro-Asian Transport Link routes.	159
III.2.1.	Border crossing infrastructure	159
III.2.2.	Border crossing processes and procedures	160
III.3.	Road transport	161
III.4.	Rail transport	163
III.5.	Intermodal transport	164
III.6.	Public and private interests, cross-country cooperation	165
III.7.	Conclusions.	165
PART IV.	The Future of Euro-Asian Transport Links	168
PART V.	Conclusions and Recommendations.	178
