PREFACE

We are privileged to have been invited to preface the 2019 edition of *The International Comparative Legal Guide to: Private Equity*, one of the most comprehensive comparative guides to the practice of private equity available today. The Guide is in its fifth edition, which is itself a testament to its value to practitioners and clients alike. Dechert LLP is delighted to serve as the Guide's Editor.

With developments in private equity law, it is critical to maintain an accurate and up-to-date guide regarding relevant practices and legislation in a variety of jurisdictions. The 2019 edition of this Guide accomplishes that objective by providing global businesses leaders, in-house counsel, and international legal practitioners with ready access to important information regarding the legislative frameworks for private equity in 31 different jurisdictions. This edition also includes five general chapters, which discuss pertinent issues affecting private equity transactions and legislation.

The fifth edition of the Guide serves as a valuable, authoritative source of reference material for lawyers in industry and private practice seeking information regarding the procedural laws and practice of private equity, provided by experienced practitioners from around the world.
